CONFERENCE 2018**

MANCHESTER 14–16 NOVEMBER

Partnership Opportunities

14 - 16 November 2018 | Manchester

National Children and Adult Services Conference 2018

This event is vital to councillors, senior officers, policy-makers and service managers with responsibilities for children and adult services in the statutory, voluntary and private sector. It is also an important opportunity for their partners in health, education and related fields and MPs with an interest in social care, health, children's services and education.

We are delighted that the conference will return to Manchester in 2018.

With the focus of the conference clearly focused on the services and support available to all people - across all ages, young and old - the Conference Planning Committee is determined to use this opportunity to discuss a vision for the future and how it can be shaped to maximise benefit for all. A range of challenges face today's citizens, as individuals, groups and organisations and local government and the health service has a strong part to play.

Opportunities

We welcome working in partnership with a range of external organisations in order to further our objectives and business priorities.

This event is clearly a great opportunity for companies wishing to access an influential audience of senior decision makers in social care. The conference is delighted to welcome partners to support the event. Given we only work with a limited number of partners we tend to look at bespoke solutions around each individual partner relationship.

Delegate badges, evening drinks receptions, evening or breakfast fringe meeting, inserts in the conference handbook and 'Speakers Corner' are examples of partnership opportunities. However, it is important to stress that we welcome other options or ideas.

Please contact Amanda Fry, Conference Organiser, on 01609 532705 or email Amanda.fry@northyorks.gov.uk or Louise.heaps@northyorks.gov.uk to discuss further.

Conference Badges

Every delegate, exhibitor and speaker will receive a badge for the event. The partner organisation's corporate logo will appear alongside the conference logo on the badge. In addition to this high profile relationship you will receive:

- An opportunity to provide a half page message in the handbook
- One complimentary delegate pass for the three days
- Acknowledgment of your support on the conference website including a link to your own website.

Inserts in Conference Handbook

The conference handbook is the key document for all delegates over the three days. Opportunities include:

In addition to the advert you will also get the opportunity of some pre-publicity on our website

Speakers Corner

Please note that this is currently under offer - SOLD

The Speakers Corner has now been run for 4 years and is increasingly successful. Located outside the auditorium, this is an ideal opportunity for a partner organisation to be visible in the main thoroughfare at the heart of the venue.

A limited number of speaker slots will be made available in advance for registered delegates. During the conference, delegates and exhibitors are able to book sessions on site at no additional cost.

Exhibition Opportunities

Please note that this event SOLD OUT in Manchester in 2014 and 2016 by July – over 90% of stands sold (September 2018)

This year the exhibition moves to a new location in the Exchange Hall. This means it will be the key hub for the conference. The exhibition regularly sells out and exhibitors are strongly recommended to book early. All refreshments including drinks and lunches are served in the exhibition area. In addition there are two popular drinks receptions open to all delegates and exhibitors at the close of proceedings on Wednesday and Thursday.
